Jim - I know you have another commitment next week but there will be more meetings on UA that I would like you to be involved in.

A copy which may not be the completer-complete copy is on the I-drive - 30-day share. Its in the folder "PSchmittdiel - Upper Animas" in the sub-folder "UAA - PB version".

Thanks.

Where: EPA - Rocky Mountain Room

Paula,

Regret I am still committed to attend Kennecott project management meeting with Kerri in Utah next week. I am intrigued to learn that a UAA was prepared for the Upper Animas. Where can the document be accessed? SEMS? Or CDPHE library?
